

## **IF IT IS NECESSARY-- IT IS POSSIBLE!!!**

It takes all of us to BRING membership to 100% .

Simply ASK for the dues but then.....

EXPLAIN why their membership dues makes a difference in the lives of those in need.

### **It's Possible...**

...when their dues provides the first graders with U.S. flags!

...when their dues buys clothes, shoes, and coats for kids who lost all of their things in a fire!

...when a homeless veteran gets a safe place to live after giving so much and asking for so little.

...when a woman or man chooses nursing for a life's occupation and dues buys their books!

...when each of us can tell our friends how wonderful it is to be a member of such a fine organization that helps so many who need it.

...when our children and grandchildren see us helping others and learn to do the same.

...when a young athlete can afford to participate in their favorite sport because dues helped to fund the program and purchase uniforms and supplies.

...when a victim of Hansen's Disease has their prayers answered and the cure is within their reach.

...when a family of a POW/MIA soldier realizes a dream come true as a scholarship comes into their lives and someone's dream comes true of achieving an education.

...when you visit hospitals and nursing homes to bring cheer to the patients.

**It's all possible and it's a small amount of money compared to the kindness it gives!**

**Be the Dame you know you can be!**

**ASK YOURSELF---IS IT NECESSARY? THE ANSWER IS : YES AND IT IS POSSIBLE!**
